FLUENT IN BUSINESS & FEELINGS, AUTHENTICITY GUARANTEED!

As serial entrepreneur that started her first business at 12, Carolina Gutiérrez is a passionate Mental Wellness advocate. She guides business owners and seekers alike on the importance of intuition first, challenging you to think about work from the inside out. With her business & counseling skills, Carolina brings peace, time, and profits to business owners feeling overwhelmed.

As an implementer, with her unique ability to speak to the energy of business and feelings, she taps into the spirit of purpose driven entrepreneurs to enable them to deliver on their promise to make the world a better place. Carolina intuitively weaves practicality with purpose and mission, while encouraging her clients to do the same.

Carolina's Perspectives as a latin woman in business have been seen across podcasts, virtual stages and in person events. Her background in Social Work, Insurance and Hypnosis combine with lifelong entrepreneurship to deliver actionable tips, impactful stories and personal touches that move listeners to reconnect to their internal guidance.
